

Is this service Wi-Fi?

You can utilize a Wi-Fi router to create a wireless Wi-Fi network within your unit that connects to the Internet. Visit our website for our recommended routers.

Do I need a modem?

Nope! This is a "plug-and-play" Ethernet deployment similar to an office environment.

Ready to connect?

This service is provided to you by your property. To view your available speeds, upgrades and connection instructions to get started, please visit your property page by searching your address on our website at:
