

Is this service Wi-Fi?

You can utilize a Wi-Fi router to create wireless Internet (Wi-Fi) within your unit. Visit our website for our recommended dual-band routers.

Do I need a modem?

Nope! This is a “plug-and-play” Ethernet deployment similar to an office environment.

What's the fine print?

This service is provided to you by your property. Additional services and speed upgrades are available online.

To view your available speeds and to upgrade your basic package, please visit your property page by searching your address on our website at:
